14 November 2011

3Q/9M key figures in line with expectations

No surprises in 4Q11E anticipated

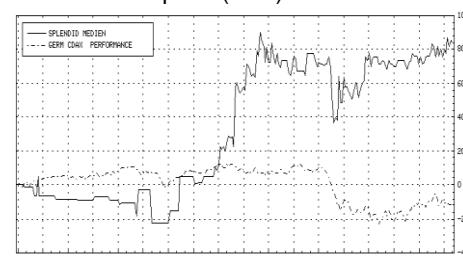

- Key figures for 3Q/9M:** The company reported key figures for 3Q/9M of FY11. With revenues of EUR 9.1m in 3Q group EBIT amounted to EUR 0.5m. In 3Q10 revenues came in at EUR 12.0m and EBIT at EUR 0.5m. The higher revenues in 2010 mostly results from the theatrical release of 'The Expendables' as there was no comparable release in 3Q11. After nine months revenues were at EUR 30.2m and EBIT at EUR 2.6m. Last year 9M revenues stood at EUR 27.8m with an EBIT of EUR 1.0m. Overall, both revenues and EBIT were in line with expectations. Besides the P&L also the cash flow key figures performed in line. Within 9M operating cash flow amounted to EUR 12.3m after only EUR 4.4m in 9M10. Regarding the balance sheet, equity ratio increased to 40.8% in 9M11 (9M10: 38.4%).
- Outlook 4Q:** In the course of the interim report the company confirmed its already given guidance for full year 2011. splendid expects revenues to grow moderately YoY and EBIT above 2010 figures (2010: EUR 3.04m). As the figures in 3Q were in line and we do not expect any negative surprises in 4Q we stick to our estimates for 2011. We forecast revenues of EUR 41.8m for 2011E (+5.8% YoY) and EBIT should come in at EUR 3.08m. Hence, for 4Q11E we expect revenues to be at EUR 11.6m and EBIT is forecasted to come in at EUR 0.48m.
- Film pipeline 2012:** For the time being the slate for 2012 is well-stocked. To pick one or two movies which should help the company disproportionately we are convinced that both 'Expendables 2' and 'Iron Sky' are going to be box office hits. Besides the theatrical unit we are also confident that the home entertainment segment will continue to perform on such high level. The group's film portfolio in the home entertainment segment was once again enhanced by strong titles. For example, the critical acclaimed TV-show 'The Walking Dead' which is currently in its second season in the US (channel AMC) and the production company already confirmed to shoot a third season. In 4Q the group released the complete first season (6 episodes) on DVD/Blu-Ray.
- Positive outlook:** Since the company's performance continues to be on a high level we stick to our PT of EUR 2.50 with a BUY recommendation.

Disclaimer and statement according to § 34b German Securities Trading Act (“Wertpapierhandelsgesetz”) in combination with the provisions on financial analysis (“Finanzanalyseverordnung” FinAnV)

This report has been prepared independently of the company analysed by Close Brothers Seydler Research AG and/ or its cooperation partners and the analyst(s) mentioned on the front page (hereafter all are jointly and/or individually called the ‘author’). None of Close Brothers Seydler Research AG, Close Brothers Seydler Bank AG or its cooperation partners, the Company or its shareholders has independently verified any of the information given in this document.

Section 34b of the German Securities Trading Act in combination with the FinAnV requires an enterprise preparing a security analysis to point out possible conflicts of interest with respect to the company that is the subject of the analysis.

Close Brothers Seydler Research AG is a majority owned subsidiary of Close Brothers Seydler Bank AG (hereafter ‘CBS’). However, Close Brothers Seydler Research AG (hereafter ‘CBSR’) provides its research work independent from CBS. CBS is offering a wide range of Services not only including investment banking services and liquidity providing services (designated sponsoring). CBS or CBSR may possess relations to the covered companies as follows (additional information and disclosures will be made available upon request):

- a. CBS holds more than 5% interest in the capital stock of the company that is subject of the analysis.
- b. CBS was a participant in the management of a (co)consortium in a selling agent function for the issuance of financial instruments, which themselves or their issuer is the subject of this financial analysis within the last twelve months.
- c. CBS has provided investment banking and/or consulting services during the last 12 months for the company analysed for which compensation has been or will be paid for.
- d. CBS acts as designated sponsor for the company’s securities on the basis of an existing designated sponsorship contract. The services include the provision of bid and ask offers. Due to the designated sponsoring service agreement CBS may regularly possess shares of the company and receives a compensation and/ or provision for its services.
- e. The designated sponsor service agreement includes a contractually agreed provision for research services.
- f. CBSR and the analysed company have a contractual agreement about the preparation of research reports. CBSR receives a compensation in return.
- g. CBS has a significant financial interest in relation to the company that is subject of this analysis.

In this report, the following conflicts of interests are given at the time, when the report has been published: d, f

CBS and/or its employees or clients may take positions in, and may make purchases and/ or sales as principal or agent in the securities or related financial instruments discussed in this analysis. CBS may provide investment banking, consulting, and/ or other services to and/ or serve as directors of the companies referred to in this analysis. No part of the authors compensation was, is or will be directly or indirectly related to the recommendations or views expressed.

Recommendation System:

Close Brothers Seydler Research AG uses a 3-level absolute share rating system. The ratings pertain to a time horizon of up to 6 months:

BUY: The expected performance of the share price is above +10%.

HOLD: The expected performance of the share price is between 0% and +10%.

SELL: The expected performance of the share price is below 0%.

Recommendation history over the last 12 months for the company analysed in this report:

Date	Recommendation	Price at change date	Price target
27 September 2011	BUY (Initiating Coverage)	EUR 1.28	EUR 2.50
14 November 2011	BUY	EUR 1.40	EUR 2.50

Risk-scaling System:

Close Brothers Seydler Research AG uses a 3-level risk-scaling system. The ratings pertain to a time horizon of up to 6 months:

LOW: The volatility is expected to be lower than the volatility of the benchmark

MEDIUM: The volatility is expected to be equal to the volatility of the benchmark

HIGH: The volatility is expected to be higher than the volatility of the benchmark

The following valuation methods are used when valuing companies: Multiplier models (price/earnings, price/cash flow, price/book value, EV/Sales, EV/EBIT, EV/EBITA, EV/EBITDA), peer group comparisons, historical valuation approaches, discounting models (DCF, DDM), break-up value approaches or asset valuation approaches. The valuation models are dependent upon macroeconomic measures such as interest, currencies, raw materials and assumptions concerning the economy. In addition, market moods influence the valuation of companies.

The figures taken from the income statement, the cash flow statement and the balance sheet upon which the evaluation of companies is based are estimates referring to given dates and therefore subject to risks.

These may change at any time without prior notice.

The opinions and forecasts contained in this report are those of the author alone. Material sources of information for preparing this report are publications in domestic and foreign media such as information services (including but not limited to Reuters, VWD, Bloomberg, DPA-AFX), business press (including but not limited to Börsenzeitung, Handelsblatt, Frankfurter Allgemeine Zeitung, Financial Times), professional publications, published statistics, rating agencies as well as publications of the analysed issuers. Furthermore, discussions were held with the management for the purpose of preparing the analysis. Potentially parts of the analysis have been provided to the issuer prior to going to press; no significant changes were made afterwards, however. Any information in this report is based on data considered to be reliable, but no representations or guarantees are made by the author with regard to the accuracy or completeness of the data. The opinions and estimates contained herein constitute our best judgment at this date and time, and are subject to change without notice. Possible errors or incompleteness of the information do not constitute grounds for liability, neither with regard to indirect nor to direct or consequential damages. The views presented on the covered company accurately reflect the personal views of the author. All employees of the author's company who are involved with the preparation and/or the offering of financial analyzes are subject to internal compliance regulations.
